EIP Water Online Market Place

Matchmaking for water Innovation

Register now! www.eip-water.eu

The image displays three overlapping screenshots of the EIP Water Online Market Place website. The leftmost screenshot shows the 'Matchmaking' dashboard, featuring a navigation menu, a search bar, and a diagram titled 'Role in the Water Life Cycle' with stages: Researcher, Inventor, Developer, and Marketer. The middle screenshot shows the 'News' section, listing articles such as 'Launching Conference of the joint GWP-Me Financing for the Mediterranean Water Sec' and 'Special Rapporteur on the human right to...'. The rightmost screenshot shows the main website interface, including a navigation menu, a 'Join our Newsletter' form, a map of Europe, and a 'WORKING GROUPS' section with an 'Action Group New' announcement.

EIP Water activities

- Task Force – work on barriers: policy recommendations and actions
Intervention measures:
 - Financial instruments (e.g Revolving fund)
 - EU-wide coherent regulatory landscape
 - Install structured EU coherent approach for Public-Public and Public-Private Partnerships
 - Improve public and investor confidence by showcases and demonstration sites
 - Evaluate the potential of Public Procurement for driving innovation
- Annual Conference (5 Nov '14)

EIP Water Outlook

- *Higher involvement of actors from central and eastern Europe*
- *Close connection between demand and supply – link water policy implementation gaps with EIP Water developments*
- *Continuity after 2014 based on confidence and expected impacts*

*Thank you for your **attention***
